Dear Restoration Advisory Board (RAB) Member:

The RAB meeting scheduled for November 7, 2001 is cancelled. Although progress continues to be made regarding the Navy's and Air Force's IR Programs, progress is not significant enough to warrant a meeting and taking up your valuable time. We apologize for any inconvenience this cancellation may have caused you. The next RAB meeting is scheduled for Wednesday, March 6, 2002. The Navy will discuss various remedial alternatives for Site 5 - Fire Training Area in a Feasibility Study, and will be submitted to the RAB prior to our March 6<sup>th</sup> meeting.

Please note that due to heightened security requirements, it will be necessary to hold the next RAB meeting at an off-site location. The location has not yet been determined.

Any questions should be directed to Mr. Jim Edmond, our RAB Coordinator, at (215) 443-6939.

Sincerely,

A handwritten signature in cursive script that reads "W R Schoen".
