

Story Time Guidelines

Story time is an excellent opportunity for parents to introduce young children to the library and the joy of reading. Story time is a great way to positively interact with your child, learn read-aloud techniques, and discover new books!

The library offers four 5-week sessions between August and May. Class is occasionally cancelled due to inclement weather. Families may call the main library line or check the website for updates.

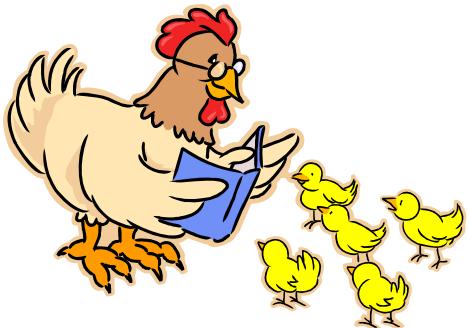

****Registration is required for Baby Tales and Toddler Tales. Parents may register (their child only) by contacting Miss Ellyn in person at the library or at **215-443-2609 X206** (Miss Ellyn will respond to messages in the order that she receives them. Class/waitlist place is not confirmed until her reply). Due to the popularity of these classes, waitlists will be created and any registrants who miss 2 or more classes without contacting Miss Ellyn will be required to yield their space to accommodate a waitlisted child.**

Please arrive early as class begins promptly. No late-comers will be admitted to the room once class has begun.

If your child has any special needs, please alert the librarian before class and she will do her best to accommodate them.

Please, no food or drink in the story room.

Please silence cell phones during class.
