

**HORSHAM  
TOWNSHIP  
LIBRARY**

# **TAB Discord Permission Form**

Horsham Township Library uses this Discord server to maintain a welcoming online presence where members can learn about, share, find out about library events, hang out online in a safe space, and discuss library-related topics with staff and other users.

YA Services Librarian Bryan Sotnyk (bsotnyk@mclinc.org) and Library Director Regina Vesely (rvesely@mclinc.org) will be the only adults with access to this server.

In order to encourage a safe, online community, members must abide by the Code of Conduct:

1. Be polite and respectful of each other, yourself, and the librarians.
2. No trolling, spamming, bullying, or hate speech of any sort will be tolerated.
3. Refrain from “callouts” or personal attacks.
4. Avoid controversial political or religious topics and employ an “agree to disagree” philosophy if an argument or disagreement occurs.
5. Protect your privacy and the privacy of others.
6. Keep things PG. Do not post graphic content, including explicit language, sexual content, gore, or inappropriate jokes.
7. Do not post advertisements or try to sell anything. If you are doing a fundraiser and you’d like the librarian to purchase something, come talk to them in person at the library or direct message them in the server.
8. Do not conduct or encourage illegal activity.
9. Use an appropriate name and avatar.

You are responsible for your actions on our server.

You cannot hold the library responsible for anything that happens on this server.

The Young Adult Librarian and Library Director reserve the right to delete any comments or mute, kick, or ban any member from the server should these rules be ignored.
